

Canvasback Shooting Range Rules

for 2025-2026 Hunting Season

1. The Canvasback Shooting Range (shotgun and rifle) will be open for normal use through September 28th, with the exception of the 13th and 27th, when the range will be closed for the work day and Blind Stuffing. After September 28, the range is closed for all use until after the opening of the General Waterfowl season.
2. During the waterfowl season, the SHOTGUN range will be open on Tuesdays and Fridays from 10am to 2pm. For the Late Youth Hunt, the SHOTGUN range will be open all day on February 6 and 7, 2026 to allow youth hunters to practice before their hunt.
3. During the months of October and November, the RIFLE range will be open on Mondays from 10am to 2pm to accommodate those members with big game tags.
4. On Sunday, February 8, 2026, both the shotgun and rifle range will re-open for normal use 7 days a week.
5. From time to time, it may be necessary to close the range for purposes of work in the range area, weather conditions, significant waterfowl being affected by range use, safety concerns, etc. We will post these closures, when and if they occur, on a new sign located along the entry road at the corner of Waters Field.

This expanded use of the range is being done at member request.
